

Capacitor Product Catalog

COMPLETE CAPACITOR SOLUTIONS

CAT: MPP-01

Metalized Polypropylene Film (MPP)

In-house Leybold-metallized BOPP film for self-healing, high-voltage capacitor applications.

THICKNESS: 3.5-14 Micron

VOLTAGE: Up to 4000V AC

CAT: MOT-RUN

Fan & Motor Capacitors

Motor run, motor start, fan, and submersible panel capacitors for HVAC, pumps, and appliances.

RANGE: 0.5-432 MFD

VOLTAGE: 400-440V AC

CAT: PFC-CELL

Power Factor Correction (PFC)

Cylindrical, box type, and capacitor banks (up to 150 KVAR) for industrial APFC panels.

RANGE: 0.5-25 KVAR/Cell

VOLTAGE: 415-440V AC

CAT: LUM-RES

Luminaire Capacitors

Lighting capacitors with inbuilt discharge resistors for street lights and industrial luminaires.

CAPACITANCE: 1-45 MFD

RATED V: 230-250V AC

CAT: UV-CUR

UV Lamp Capacitors

High-frequency capacitors for UV curing systems in printing, coating, and industrial manufacturing.

TUNING: Custom Build

VOLTAGE: Up to 4000V AC

CAT: CUST-ENG

Customized Capacitors

Co-engineered capacitors tailored to your electrical, thermal, and mechanical requirements.

DIMENSIONS: Per Specification

TERMINALS: Custom Pins/Tags
